ACADEMIC & ARTS CAMP DESCRIPTIONS (ALPHABETICAL)

Code Camp – JavaScript

Do you want your child to be introduced to a new language this summer? Like learning all language skills, practice is how fluency is learned. Languages are the way that we communicate our ideas and programming gives students the ability to create technology to impact the world around them. In our camp, your child will see what it means to program JavaScript. Students will learn about mouse and keyboard interaction, animation and building a video game.

Camp Director/Contact: Jose Garcia | jgarcia@holyfamilydbq.org

Open to: Incoming grades 4–6

Dates: Monday–Friday, June 11–22

Time: 12:30–3:00 p.m.

Location: Mazzuchelli Catholic Middle School

Cost: \$100

Code Camp for the Young Learner

Code Camp for the Young Learner offers an introduction to computer science for young students. Students will learn basic computer science vocabulary along with engaging, hands-on activities. Robots such as Bee Bots, Blue Bots, ROAMER and Dash will be used to teach computer science concepts.

Camp Directors: Jenni Malcom and Shelly Theisen

Computer Programming

Working with Creative Adventure Lab staff, campers will strengthen problem-solving and creative thinking skills as they learn to use computer programming skills to create and share their own games and cartoons.

Camp Director: This camp is offered through a partnership with Creative Adventure Lab

Camp Contact: Rebecca Mueller | rmueller@holyfamilydbq.org

Open to: Incoming grades 5–9

Dates: Monday–Friday, July 30–August 3

Time: 1–3 p.m.

Location: Mazzuchelli Catholic Middle School

Cost: \$110

Critical Thinking through Board Games

Recently, there has been a shift from adolescents playing electronic games for enjoyment and stimulation to the classic board games. Since there has been a demand for more board games and challenge, a variety of brand new board games involving multi-faceted strategy have been produced. In this camp, students will learn how to strategize and develop critical thinking skills required for math through stimulating board games such as Settlers of Catan, Clank, Monopoly, Coup, Code Names and more.

Camp Director/Contact: Kyle Leeson | kleeson@holyfamilydbq.org

Open to: Incoming Grades 6–8

Dates: Monday–Friday, July 23–27 (Note: NEW dates!)

Time: 12:30–3:30 p.m.

Location: Mazzuchelli Catholic Middle School

Cost: \$75

Culinary Arts Camp

While your child can probably make a peanut butter sandwich, have you dreamed of them making you a warm breakfast one morning? Campers in Culinary Arts Camp will learn to make hash brown egg baskets for an easy breakfast, dips for their next play date and finish on Friday with cupcake decorating. Your camper will learn about cooking safety while developing independence in the kitchen.

Camp Director/Contact: Allison Pusateri | (563) 583-9771 | apusateri@holyfamilydbq.org

Harry Potter Camp

Calling all Harry Potter fans! This camp will give your child a chance to explore the wizarding world of Harry Potter through hands-on activities. Whether your student has read the entire series or is just beginning, this camp will deepen his or her love for the iconic series through games, creative writing, acting and more. Your student will feel like a young witch or wizard at Hogwarts practicing potions (i.e., fun science experiments) and playing quidditch. Potterheads will also test their knowledge through trivia, write alternate endings, act out their favorite scenes, and write letters to author J.K. Rowling. We will also enjoy Harry Potter-themed snacks. The goal of this camp is to deepen kids' love for literature and challenge them to tap into their creative abilities. Will we have a sorting hat? Of course. Will we have butterbeer? Oh yeah! Do you have what it takes to be a wizard?

Camp Directors: Ava Hoelscher, Jill Hohmann and Jamie Vondra

Literacy Camp with Clarke University

Designed to build fluency and comprehension, this summer camp is full of reading fun and adventure. Under the instruction of the Education Department at Clarke University, this camp will help all students maintain reading skills over the summer. Clarke Education students and instructors will take the literacy needs of all students into consideration. Whether you're looking for skills-based strategies for a reluctant or emerging reader or a new, fun way to stretch the imagination of your enthusiastic reader, this camp is a good fit.

Camp Director: Clarke University Education Department

Camp Contact: Lori Apel | (563) 556-4194 | lapel@holyfamilydbq.org

Open to: Incoming grades K–6

Dates: Tuesdays and Thursdays, June 19 through July 19

Time: 8:30 a.m. to noon

Location: St. Anthony Elementary School

Cost: \$140

Mathletes

Have you ever noticed the best athletes are usually those who enjoy the game and practice? Playing basketball in the front yard isn't about a score or competition, but it will probably make your jump shot better. Mathletes is a fun, no pressure way to work your brain as a muscle and improve your math skills. If you enjoy math, or want to make it more like a sport, Mathletes is for you. No tests and no drilling. This camp will show you ways to practice math with games, puzzles and critical thinking. There may be a friendly competition, but it's not about who wins, it's how you play the game.

Camp Director/Contact: Kyle Leeson | kleeson@holyfamilydbq.org

Open to: Incoming grades 5–8

Dates: Monday–Friday, July 23–27 (Note: NEW dates!)

Time: 9 a.m. to noon

Location: Mazzuchelli Catholic Middle School

Cost: \$90

Math Olympics

What is better than practicing math while playing games? Combining learning with fun, Math Olympics will focus on math facts, basic geometry and introduction to Algebraic concepts. Third and fourth grades are significant years for math education. Come be part of the excitement!

Camp Director/Contact: Tara Link | tlink@holyfamilydbq.org

Open to: Incoming grades 3 and 4

Dates: Monday–Friday, June 11–15

Mock Trial

If it pleases the court, Mock Trial Academy will now be in session. In mock trial, students play the roles of attorneys and witnesses as they prepare and present both sides of a hypothetical legal problem. In this summer camp students will develop important critical thinking skills and understand how research improves a case and presentation skills. From opening statements to closing arguments and everything in between, campers will learn about direct and cross examination, objections and Rules of Evidence, and the roles of witnesses and attorneys. Through small group breakout sessions, students will practice their new skills as they prepare to argue one side of a fictional criminal case in an end-of-camp scrimmage.

Camp Director/Contact: Deone Merkel | deone.merkel@loras.edu

Introduction to Mock Trial

Open to: Incoming grades 5–9

Dates: Monday–Friday, June 11–15

Time: 12:30–3:30 p.m.

Location: Mazzuchelli Catholic Middle School

Cost: \$100

Photography Camp

In this photography camp, students will learn how to use their DSLR cameras in different situations and how to properly use the aperture, ISO, shutter speed, white balance, metering modes and many more settings. We will also learn about composition and tips for portrait and landscape photography and some techniques like long exposure, hyperfocal, high speed photography and light painting. Students must provide their own DSLR (digital single-lens reflex) camera.

Camp Director/Contact: Jose Garcia | jgarcia@holyfamilydbq.org

Open to: Incoming grades 6–9

Dates: June 25–29 (Note: NEW dates!)

Time: 9 a.m. to noon

Location: Mazzuchelli Catholic Middle School

RESILIENCE: A Social and Emotional Learning Camp for the Athlete, Artist, Actor, Author and Awesome Kid!

Social and emotional learning (SEL) involves the processes of developing self-awareness, self-management, social awareness, relationship skills and responsible decision-making. The structure of this camp presents an ideal environment for children to build resilience – the ability to take failures in stride and retain a positive outlook on life and one’s abilities. This highly interactive camp will take those who attend through relatable, activity-driven SEL competencies. Topics like resilience, blame, responsibility, regulating emotions, conflict management, positive self-talk and gratitude will be discussed.

Camp Directors: This camp is a partnership between Holy Family Youth Sports and the University of Dubuque Department of Personal Empowerment. Directors include Travis Zajac, Tim Berning, Joel Janecek and Liza Johnson,

Camp Contact: Joel Janecek | jjanecek@holyfamilydbq.org

Open to: Incoming grades 3–6

Dates: Monday–Wednesday, June 11–13

Time: 9 a.m. to noon

Location: Mazzuchelli Catholic Middle School

Cost: \$50

Robotics Programming Camp

Students will work in pairs designing and programming robots using LEGO® Mindstorms™ robotics kits. Each pair will design and program solutions to problems presented on the FIRST® LEGO® League's Senior solution field table. The students will look at the field table, which is a type of obstacle course, determine the best robot design, build the robot, program the robot to complete various missions, and then using the scientific method, adjust the robot design and programming until they are able to complete as many missions as possible in 2.5 minutes.

Camp Director/Contact: Jose Garcia | jgarcia@holyfamilydbq.org

SESSION 1

Open to: Incoming grades 7–8

Dates: Monday–Friday, June 11–15

Time: 9 a.m. to noon

Location: Mazzuchelli Catholic Middle School
