Agree to EZPay Terms & Conditions

Terms and Conditions for using SPS EZpay

The terms and conditions set forth below (collectively, this "Agreement") apply to your use of the School SPS EZpay website, call center, payment service and related facilities (collectively, the "Facilities"). By consenting on the registration page or by using the Facilities, you agree to the terms and conditions of this Agreement. As used herein, "we," "our" or "us" means Information Design, Inc., and "you" or "your" means any person or entity using the Facilities. "Service" or "Services" refers to providing information, facilitating payments, and providing user support and other services through the Facilities. "School" refers to the entity holding an account, which may, for example, be a school, a school district or business office. This Agreement affects your rights and you should read it carefully.

1. USE OF SERVICE.

(A) You hereby warrant that you are a legally authorized parent or guardian of a child ("Child") registered as a student in the School identified in the web site, or an authorized official of the School, or one of their designees, who are at least eighteen (18) years of age ("Authorized User")

(B) As an Authorized User, we grant you a license to access the Facilities and use the Services.

(C) As an Authorized User, you may use the Services to view account information, transaction history information and make payments as allowed by this Agreement.

(D) You agree that Authorized Users using the Service, Information Design, Inc., the Child's School, other School officials and the designees of any of the foregoing, may share information in connection with the operation of the Service in compliance with the SPS EZpay Privacy Policy.

2. PAYMENTS TO SCHOOLS.

(A) You may make payments by using a credit card, debit card or U.S. bank account. Your Child's School receives the amount
