

Dear Parents and Students:

February 2019

The Mississippi Valley Regional Blood Center is sponsoring a blood drive at Wahlert Catholic High School on Tuesday, February 12 in the Wahlert Gymnasium. This drive will provide much needed blood for area hospitals. The Mississippi Valley Regional Blood Center has set a goal of 70 student, parent, and teacher volunteers. Blood donations will take place between 9:00 a.m. and 12:30 p.m. Blood donation is a safe procedure using single use sterile supplies. The possibility of slight reactions such as fainting, light-headedness or bruising may occur.

In order to participate, the student must be at least sixteen years of age, must have parental consent and must present an ID at time of donation. The parental consent form provided at the bottom of this sheet will be used by 17, 18, & 19 year olds. Sixteen year olds must use a MVRBC permission slip. Permission slips must be returned by Wednesday, February 6, 2019.

Students are also asked to complete the information at the bottom of this sheet so that appointments can be made and appointment cards can be distributed.

Students are also reminded to eat breakfast and lunch on February 12. Let's work together to make this blood drive the most successful ever.

Cynthia Wagner
