HOLY FAMILY STUDENTS *and* GRADUATES...

...understand the personal and communal nature of the Catholic faith. They live the learned faith in all that they do and in service to others.

...are well-rounded, balanced and involved – in arts, athletics, and other co-curricular activities. They are self-aware leaders in local and global communities.

...love learning. They are actively engaged and entrepreneurial in their approach to school, work, activities, service and their lives.

...are prepared to succeed in every facet of life after high school. They have developed the key Habits of Success and critical skills and knowledge needed to actualize their own dreams and thrive in the 21st century.
