Introduction

The procedures, rules, and guidelines set forth in this Procedural Guide relate specifically to Mazzuchelli Catholic Middle School for the school year. This local procedural guide is to be used in conjunction with the system-wide Holy Family Catholic Schools Policies and Procedures Handbook.

Knowledge of the rules and regulations, their processes, and their implementation is the responsibility of all Middle School students and their families. A lack of knowledge or understanding of the rules and regulations will not be the cause of releasing a student from the responsibility of abiding by the stated policies.

These printed rules and regulations are considered a binding contract between the students and staff by virtue of choosing Holy Family Catholic Schools. The administration of Mazzuchelli Catholic Middle School reserves the right to modify the published rules as necessary.

Activity Fees

A \$35 fee will be collected for each activity that requires a paid coach or moderator (Show Choir, Musical, First Lego League, and each sport). Families with financial hardship or special circumstances can be exempted from this fee.

After-School Supervision

After-School Supervision will be provided free of charge in the Commons until 4:15PM. Students must remain seated in the Commons area during After-School Supervision. All students on the Mazzuchelli Catholic Middle School campus who are not participating in supervised activities during this time are required to be in the Commons. Students who remain on campus prior to a "late" practice time slot for extra-curricular activities must report to the Commons for After-School Supervision.

Arrival & Dismissal Procedures

Arrival

The Commons will be opened to students at 7:00AM. Vehicles should drop off students in the traffic circle area in front of Mazzuchelli or Wahlert (never on Kane St. or Chaney Rd.). Upon arrival at the Mazzuchelli campus, 6th grade students report directly to their locker bay while 7th/8th grade students should report to the Commons. Students will be released to their classrooms at 7:35AM. The school day begins at 7:40AM.

Dismissal

Students will be dismissed at 2:45PM. Students are allowed to ride only in vehicles which are parked on campus directly in front of Mazzuchelli Catholic Middle School, in the Wahlert traffic circle, or in the Wahlert parking lot. Students will not be allowed to access vehicles parked on the street. Students still on the Mazzuchelli Catholic Middle School campus at 3:00PM will report to After-School Supervision in the Commons.

All pets must remain inside vehicles during student pick up and drop off, with the exception of certified service dogs.

Athletics

The philosophy of Mazzuchelli Catholic Middle School Athletics is one of participation and skill development. Sports offered include football, volleyball, cross country, wrestling, basketball, and track & field. Interscholastic athletics are for 7th & 8th grade students only. Students must stay eligible for athletics. (See Extra-Curricular Activity Eligibility)

A \$35 fee will be collected for each sport. (See Activity Fees) Each student participating in athletics is required to have a Concussion Fact Sheet (completed electronically) and an Athletic Pre-Participation Physical Examination on file in the Wahlert Athletics Office before being allowed to participate in practice or competitions.

Attendance Procedures

Attendance

Student attendance will be recorded at the beginning of each class period. Multiple instances of deliberate or excessive tardiness may result in disciplinary action.

Absence

If a student will be absent, parents/guardians must call the Mazzuchelli Office or e-mail the school secretary before 8:00AM. If the absence is planned in advance, the Office should be notified with a telephone call, e-mail, or parent note of the dates and reason for the absence. A standard attendance letter will be mailed home after an accumulated 7 days of absence.

Late Arrival

Students arriving to school after 7:40AM must sign in at the Office. Students who arrive between 7:40-8:00AM will be marked as an "unexcused tardy" unless the tardy is excused within 24 hours with a telephone call, email, or parent note. Students who arrive after 8:00AM will be marked as an "unexcused absence" unless the late arrival is excused within 24 hours with a telephone call, e-mail, or parent note.

Early Dismissal

Students needing to leave school prior to 2:45PM must notify the office in advance with a telephone call, e-mail, or parent note. Students bringing notes should give them to the school secretary. The Office will issue students an early dismissal slip to give to their teacher when it is time to leave. Students must sign out in the Office prior to leaving the building. Students who return to school on the same day must stop at the Office and sign in before returning to class.

Truancy

Students will be considered truant if absent with no parent communication. These absences are considered unexcused and subject to disciplinary action unless parent communication regarding the absence is received by the office within 24 hours.

Authorized Areas

Students are to stay in authorized areas of the Mazzuchelli Catholic Middle School building at all times. Students who enter unauthorized areas without permission (Wahlert High School, Our Lady of Guadalupe Spanish Immersion School, elevators, etc.) are subject to disciplinary action.

Behavior Expectations

A Behavior Expectations report will be completed for every student in each class at the end of each trimester. This report evaluates the students' degree of preparedness, engagement, and respect. (see Progress Reporting)

Behavior Referral

A Behavior Referral is a form used by MCMS Staff to report and document inappropriate behavior by students, resulting consequences, and communication with parents. Any Behavior Referral may result in a detention or other consequence. Multiple Behavior Referrals may result in additional consequences. (see Discipline)

Buses

The Dubuque Community School District provides busing or reimbursement (at their discretion) for students who live more than two miles from school and live within their district boundaries. All bus students must abide by the bus rules and consequences outlined by Dubuque Community School District. For additional information, contact the DCSD Transportation Department.

Cell Phones

Cell phones may not be used from 7:35 AM-2:45 PM. During those school hours, cell phones must be kept in a locker, in a zipped backpack, or with an adult. Teachers may allow cell phone usage in their classrooms for educational purposes. Students will be allowed to check

cell phones during the school day with the permission and supervision of an adult. Violation of the cell phone policy will result in confiscation of the device for the remainder of the school day. It is the responsibility of the student to pick up the cell phone in the Office between 2:45-3:00. Multiple violations of the cell phone policy may result in additional consequences. For purposes of this policy, watches and other devices with internet capabilities (except school-issued computers) will be categorized as cell phones.

Classroom Distractions

Items used by students which cause a distraction to the educational environment may be confiscated by teachers. Return of these items is subject to administrative discretion.

Daily Schedule (See Appendix A)

Appendix A contains the Regular Daily Schedule, Liturgy Schedule, and Late Arrival Schedule. School days will be identified as "Blue" or "Gold" on a rotating basis to accommodate Wellness and Physical Education, which are held every other day. In general, if a day of school is canceled because of snow, etc., the next day of school will replace the missed day. For example, if Monday was going to be a "Blue" Day but school was canceled, Tuesday would now become a "Blue" Day.)

Detentions

Detentions will be served from 2:50-3:45 PM unless other arrangements are made. Failure to serve a detention at the arranged time can result in additional penalties.

Discipline

MCMS students are expected to exhibit Christ-like behavior by demonstrating respect, taking responsibility, and building community.

Major incidents of misbehavior (e.g., harassment, fighting, deceit, etc.) will be referred to the Assistant Principal's Office. Consequences for such behavior may include but are not limited to isolated lunch, detention, office intervention, mandatory counseling, community service, Saturday detention, conferencing with parents, restitution, ineligibility, suspension, etc.

Concerns will be monitored by the Building Discipline Committee which is comprised of the MCMS Leadership Team.

Dress Code (See Appendix B)

Eagle Pride Fridays

Students may wear Wahlert / Mazzuchelli / Eagle or other HFCS t-shirts, sweatshirts, and other cover garments on Fridays. All other dress code regulations apply.

Electronic Devices

School issued laptop computers are the only authorized devices during school hours. Other electronic devices are allowed subject to the approval and direct supervision of a staff member. Headphones and ear buds are allowed in the classroom (not in the hallways between classes) with the permission of the teacher. The school is not responsible for lost, damaged, or stolen electronic devices. HFCS Acceptable Use Policies apply to all electronic devices on school property.

Extra-Curricular Activity Eligibility

Participation in athletics and other extra-curricular activities at Mazzuchelli Catholic Middle School is a privilege. In order to maintain this privilege of eligibility:

1. Each student is expected to earn passing grades.
 - For Athletics: Students who receive incomplete or failing grades in more than one subject at mid-trimester or trimester checkpoints may be ineligible for participation in all competitions/performances during the following week (next 5 school days). This ineligibility is in effect for a minimum of that one week and until satisfactory progress is demonstrated in all of the affected classes. Attendance at practices during the period of ineligibility will be determined by the parents of the student; these wishes will be communicated with the Principal who will inform the coach. Determinations of academic ineligibility can be made by the administration at any time.
 - For other Extra Curricular Activities: Students who receive incomplete or failing grades in more than one subject at a predetermined checkpoint approximately four weeks prior to the initial primary competition/performance may be declared ineligible for that activity for the remainder of the school year. If, after five school days, satisfactory progress is demonstrated in all of the affected classes, the student can be reinstated to full participation. Otherwise, the ineligibility will remain in force and future reinstatement for the current school year will not be considered. Attendance at practices during the aforementioned five school days is expected if reinstatement is desired. Determinations of academic ineligibility can be made by the administration at any time.
2. Each student must maintain a good conduct record both in school and out of school all year round. Any student whose conduct or habits are such to make that student unworthy to represent the ideals and principles of Holy Family Catholic Schools may be ineligible to participate in or attend any extra-curricular activities for a designated

period of time. The HFCS Substance Abuse Policy and the due process appeal procedures are outlined in the HFCS Policy & Procedure manual.

3. Each student must meet the expectations of his/her parents. MCMS fully supports all parental requests to withhold students from extracurricular activities at any time and for any reason.
4. Each student is expected to attend a full day of school prior to participating in after-school extra-curricular practices and competitions/performances. However, family circumstances (funeral, doctor appointment, etc.) might cause parents to withhold their child from school for part or all of a day in which they are scheduled to participate in an after-school activity. The child's participation in after-school activities that day may be determined by the administrator and coach.

Food & Beverages

1. Students are not allowed to eat outside of the Commons without the permission and direct supervision of a teacher in that particular teacher's classroom.
2. Food that is brought into the building should meet the guidelines outlined in the HFCS Wellness Policy including an emphasis on fruits, vegetables, and other healthy food options.
3. Candy is not allowed. Mints are considered candy.
4. Gum is not allowed. A \$2 fine will be assessed.
5. Coffee, caffeinated, and carbonated beverages are not allowed in the building for students.
6. Water is the only beverage allowed outside of the Commons.
7. Administrative approval is required for all celebrations and food items.

Laptop Computers

Each student will be assigned a school-issued computer. Students should bring the computer to school each day fully charged. Families must agree to the "Acceptable Use" policy when they are issued their laptop and students are subject to disciplinary action for inappropriate activity both outside of school and during school time. The "Acceptable Use" policy can be found in the Holy Family Catholic Schools Parent and Student Policy and Procedure Manual.

Lockers

Each student is assigned a locker. Students are expected to keep their lockers locked at all times. The school is not responsible for lost or stolen items. All lockers are the property of Holy Family Catholic Schools and are subject to inspection by school officials. [ABE 5145.2]

1. No writing is allowed on the inside or outside of lockers.
2. Nothing may be attached to the outside of lockers.
3. Appropriate items may be attached to the inside of lockers. These items must be attached in such a way as to not permanently damage the lockers.

Lunch & Breakfast

Students must remain at school during lunch periods and eat school-prepared or home-prepared lunches. Milk is available. Fast food and pop are not allowed as part of student lunches. Free or reduced-cost lunches are available to students who qualify. Application forms can be found on the website and can be submitted to the Office at any time throughout the year. Breakfast is also available and is served every day from 7:15-7:30AM in the Wahlert cafeteria. Students who qualify for free or reduced-cost lunches also qualify for free or reduced-cost breakfast.

The lunch program is operated by Wahlert Catholic High School. Each student will have an individual account and will be issued an ID card. Parents will be notified when their child's account runs low. Checks should be written to "Wahlert Lunch Program." The lunch/ID card can be used only by the student to whom it is issued. If a card is lost or damaged, a replacement will be issued by the cafeteria staff and charged to the student's lunch account.

Make-Up Work

Make-Up Work for One-Day Absences

If a child is absent from school for one day, requests for make-up work will not usually be accommodated based on the assumption that the student will be in attendance the next day. If a one-day absence is planned in advance, students should discuss with their teachers what work will be missed and, if recommended by the teacher, should complete this work prior to the absence.

Make-Up Work for Extended Absences

If a child is absent from school for two or more days, parents may call the school office prior to 8:00AM for work to be picked up in the office between 2:30-3:15PM. Parents can also e-mail teachers directly to make other arrangements.

Newsletter

The school newsletter will be posted on the website each Friday.

Parent Association

All parents/guardians belong to the Middle School Parent Association and are encouraged to be active members. The MSPA supports the curricular and extra-curricular programs of the school through fellowship and projects. A donation of at least \$30 is requested from each family.

Plagiarism and Cheating

Plagiarism is the act of using someone else's work or ideas without giving them credit. It can be intentional or unintentional. Intentional plagiarism is the deliberate presentation of another's work or ideas as one's own. Unintentional plagiarism is the inadvertent presentation of another's work or ideas without proper acknowledgement.

Examples of plagiarism include:

- Downloading information from the Internet or other source and submitting it as one's own work.
- Submitting as one's own work that is copied or translated from another source.
- Paraphrasing, partial quotation, or summarization of another's work without properly acknowledging the creator of the original work.

Cheating is the deliberate or attempted use of unauthorized materials, information, technology, or study-aids as well as giving or receiving improper assistance. It can also include representing or attempting to represent oneself as another, or attempting to have oneself represented by another academic endeavor.

Students are responsible for understanding the definitions of plagiarism and cheating and for avoiding engaging in either behavior. If you are unsure whether something constitutes plagiarism or cheating, it is always best to err on the side of caution and ask your instructor for clarification.

Here are some additional tips for avoiding plagiarism and cheating:

- Always cite your sources. This means providing the author, title, and publication information for any information you use that is not your own.
- Do not copy and paste text from another source without properly citing it.
- If you are paraphrasing or summarizing someone else's work, make sure to put it in your own words and cite the source.
- Do not ask someone else to do your work for you.
- Do not use unauthorized materials or information on tests or assignments.

- If you are unsure about whether something constitutes plagiarism or cheating, ask your instructor for clarification.

Artificial Intelligence

Student use of Artificial Intelligence to generate text, such as ChatGPT and translation tools, requires teacher permission and established guidelines. The degree of incorporation should be relatively limited and the acceptable standards will be established by the teacher monitoring the assessment. While artificial intelligence can prove to be a useful tool for helping enhance student learning, it cannot be used as a replacement for completing academic work.

All AI-generated material included in student work must be properly cited. Failure to do so will be considered plagiarism. [see [Plagiarism](#) policy] Listed below are two examples of acceptable AI citations:

Posters

All posters or displays must be approved by the administration.

Progress Reporting

Progress reports are sent electronically at the end of each trimester. A separate document concerning each student’s behavior will be included with these reports. (See Behavior Expectations)

School Supply List (See Appendix C)

Student IDs

Each student will be issued a plastic identification card. These cards are used for lunch, library check out, printing documents, PASS attendance, etc. Students should have their ID with them at all times. Lanyards are allowed.

Visitors

Parents, community members, and other visitors should report to the Office. Visitors are asked to sign in at the Office and to wear a visitor name tag. Visitors should return the nametag to the Office and sign out. Arrangements for student visitors need to be made with the administration at least 24 hours in advance.
