Mazzuchelli Catholic Middle School - Spring 2020 Scholarships for 8th Graders

There are a number of scholarships available for our current 8th grade students at Mazzuchelli Catholic Middle School to use toward their tuition at Wahlert Catholic High School for the 2020-2021 academic year. These scholarships are funded from memorial funds set up by various families or organizations as well as local business giftings and administered by Holy Family Catholic Schools. Each of these entities has set up the selection criteria for its scholarship including a variety of factors such as leadership, academic achievement, interest in fine arts, interest in athletics, financial need, citizenship, etc. In addition, some families have specified that their scholarship(s) should go to a student registered at a specific parish.

Students who will be attending Wahlert Catholic High School next year may apply for these scholarships by following the directions on the back of this sheet. Scholarships will be presented at an in-school awards assembly on **Wednesday, May 20 at 9:00AM**. All awards are in the form of tuition credit. Students need submit only one application to apply for all the scholarships for which they would qualify.
