

# Google Classroom for All Students

## Signing In

### On home computer

1. Navigate to **classroom.google.com** in an internet browser window.
2. Log in with your school Google account information. Look in the upper right corner to make sure you are accessing your school account and not a personal Google account.
3. Contact your teacher if you need your school Google account information.

### On school chromebook

1. Sign into your school chromebook.
2. Click the 9 squares in top right corner of your screen to access your Google Apps.
3. Click the Google Classroom app.

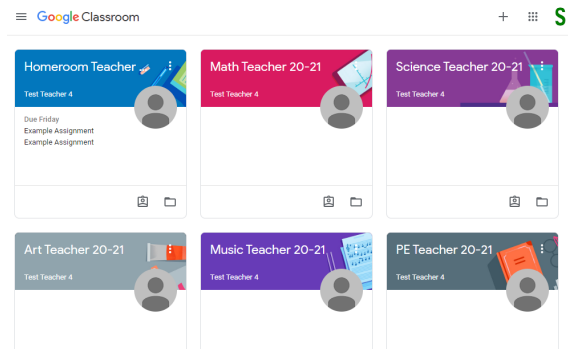

You may need to click **Accept** to join the class.

### On tablet

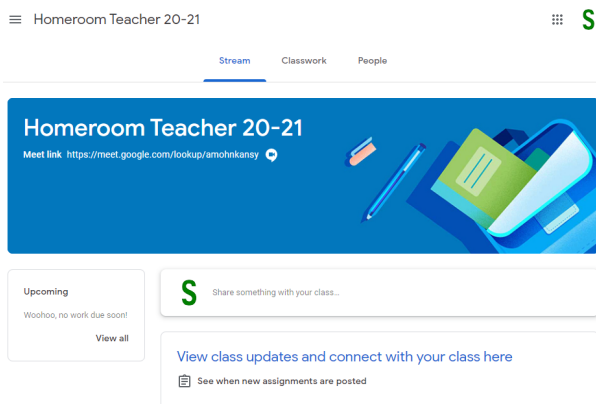

1. You will need to install the Google Classroom app to your tablet.
2. You will need to log in with your school Google account.

## Google Classroom Screen

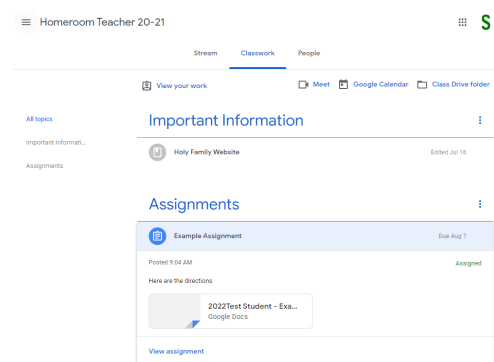

You will see your classes in this format.

## The Class Screen

- **The Stream page:** Shows all the class activity, including upcoming assignments that are due and any recent posts from the teacher or other students.
- **The Classwork page:** Where you go to view and complete any assignments for the class.
- **The People page:** Shows your teacher and a list of all your classmates.

## The Assignment Screen

- The assignment screen allows you to view more details about items posted in Google Classroom.
- **Communicating with the Teacher:**
  - Students can make a private comment to the teacher by clicking **View assignment**.
  - Class comments made will be visible to the whole class.
