Your Student's PSAT Exam Score Availability

Students who participated in the PSAT/NMSQT exam on October 14 will receive an email when their PSAT scores are ready to view online via their [online College Board account](#). Students can expect their PSAT October exam scores to be available in early December.

If your student does not see their score after they log in to their College Board account, they may need to enter an access code. Please email dlensen@holyfamilydbq.org for this information.

Update!

Paper copies will **not** be available for pickup in Wahlert's Counseling Office. Scores will only be accessible online for students via their [College Board account](#).

Wahlert Catholic High School was notified by College Board on Monday, November 30, that paper score reports will not be mailed to high schools, as a result of the COVID-19 pandemic's effect on various school closures around the country. As a result, physical copies of your student's PSAT/NMSQT score report will not be available in Wahlert's Counseling Office.

If your student is having issues logging in to their College Board account, please contact College Board directly, as Wahlert's Counseling Office does not have access to student account information. College Board can be reached at 866-433-7728.

Construction Simulator | Career Experience Day

Friday, December 18

8:30 a.m. - 1:15 p.m.

Wahlert Catholic High School

In partnership with Northeast Iowa Community College and JB Holland, Wahlert Catholic High School will be hosting an outdoor construction simulator from 8:30am - 1:15pm on Friday, December 18, for students (grades 9th-12th) to experience construction careers. The construction simulator, which is a heated trailer that will be parked outdoors on Wahlert's campus, is an opportunity for students to try operating the equipment used in construction and excavation careers. The simulator will allow students the experience to get behind the wheel of equipment such as a motor grader, dozer, wheel loader, and excavator.

After the simulator event, students are required to attend a career discussion in the Wahlert Theatre, led by Dubuque's Vocational Rehab. Attendance for the career discussion is required if a student plans to participate in the construction simulator event.

Virtual students are encouraged to participate and register for this event, as well. Students will visit campus to experience the construction simulator opportunity, and then may return home to attend the career discussion/Zoom session from home. Virtual students will be emailed the Zoom meeting link for the career discussion.

Registration Deadline: Tuesday, December 15

Double-check Your Student's AP Exam Order through AP Classroom

If you are a parent of a Wahlert student currently enrolled in an AP class this semester - your student's AP Classroom was recently updated with the AP exams they are enrolled in and scheduled to take in May. Please note AP Psychology exam payment information and registration will be due by March 5th as it is a second semester only course. More information on registration and payment for this AP exam is to come.

Under the guidance of their AP teacher, your student has been asked to log in to their AP Classroom this week to ensure that the exams they are registered for are correct. **Please take a moment with your student this week to also log into their AP Classroom with them to ensure that their AP exams are listed correctly on their dashboard.**

You can do so by having your student log on to their AP Classroom and following the steps below...

1. Ask your student to log on to their AP classroom at myap.collegeboard.org.
2. Under the blue "AP Classroom" header, confirm that each AP class your student is enrolled in has an exam date showcased in the right column. If you do not see this for an exam you know you paid for/your student plans to take, please contact dlensen@holyfamilydbq.org right away.

If you see any discrepancies in the exams listed online for your student, please email dlensen@holyfamilydbq.org, or contact Wahlert Catholic High School's Guidance Department directly at (563) 583-9771, as soon as possible.

Your Student's District ACT Exam Score Availability

If your junior or senior student completed the District ACT exam at Wahlert Catholic High School on Tuesday, October 6th, your student's test score will be available no earlier than 2-8 weeks after exam day. If your student completed the make-up ACT exam at Wahlert on Tuesday, October 20, your student's test score will be available no earlier than 2-8 weeks after that specific exam day.

Students who have taken the ACT exam before will not be notified via email or mail when their scores are available - instead, students will need to log on to their [MyACT account](#) to check in and view their scores.

If the recent district ACT exam was your student's first time taking the ACT, your student will be mailed their ACT score report in the coming weeks, and will not be able to access their score online via MyACT (this is because your student does not yet have an ACT ID to do so).

If your student has taken the ACT exam before and does not have a MyACT account, please visit MyACT's website to create one. Once you visit the [MyACT landing page](#), there are three blue link buttons located under the "Welcome to MyACT" header - select the one that correctly identifies your student's scenario, and follow the prompts to create an account for your student.

Your student's ACT ID information...

If your student has taken the ACT exam before - take a look at their previous score reports from ACT. In the upper left corner area of their score report, you'll see their ACT ID listed. If they don't have a previous score report, they can stop by Wahlert's Guidance Office. We also have a copy and can give them their ACT ID information.

If this was the first time your student has taken the ACT exam - first time ACT examinees WILL be mailed their score reports from the recent district ACT exam. As a result, your student won't be able to access their ACT score directly online this time around since they don't yet have an ACT ID. Scores will be mailed out to those examinees in the coming weeks.

Additional information about the MyACT portal is available both on [ACT's website](#), as well as [here](#). Please contact Wahlert's Counseling Office, (563) 583-9771, with any questions about ACT or your student's score.
