Each of these surveys will be used on an annual basis moving forward as a tool to monitor progress toward strategic initiatives and gauge overall parent and student satisfaction in the Holy Family Catholic Schools experience. Results will be reported in aggregate to the Holy Family community over the summer.

Requesting Transcripts Electronically from NICC

(Please contact NICC's Registrar Office with any questions at (844) 642-2338, ext. 2217.)

- Students may access an unofficial transcript from NICC as a record of coursework prior to the completion of spring

- Students can request an official transcript from their NICC **MyCampus portal** by searching for "Transcript Request." If requesting a transcript prior to the completion of spring courses, students should select "Yes" when MyCampus asks, "Are you currently enrolled?". Official transcripts will be sent out as soon as possible after final grades are submitted. There is a \$5 fee to have this transcript sent.
- Please note that requesting college transcripts is the responsibility of the student, as Wahlert Catholic High School is unable to transfer college credits to a student's college or university.

Requesting Transcripts from an area College or University

(Loras College, University of Dubuque, Clarke University, etc.)

- Students who took a college course through any college/university during their time at Wahlert Catholic High School (College Writing, Statistics, Public Speaking, etc.) are required to contact the appropriate college/university's registrar office directly to have their college credits transferred to the college/university they are attending next school year.
