

Camp Week	2024 Camp Dates	Theme	Camp Summary/Introduction	Adventure Trips	Withdrawal Deadline	Billing Date
1	June 3–7 (pending school release)	Innovation Station	A week filled with experiments and activities that will have your future scientist exploding with excitement. Campers will discover their love for science, math, technology, and more. This week we will travel to the Creative Adventure Lab to build, create and explore! The Explorer Eagles will head to the Four Mounds Ropes Course to discover gravity and explore the science behind climbing.	Creative Adventure Lab (all) and Four Mounds Ropes Course (Explorer Eagles only)	May 20	June 3
2	June 10–14	Future Olympian	Are you ready for a week of sports, skill-building, and teamwork? Whether your child is a budding athlete or just discovering their love for sports, our camp is designed to cater to all skill levels. From fundamental drills to advanced techniques, we will develop all the skills you need to become the next gold medalist. We will be testing these skills at Miracle League, All Around Gymnastics, and Derby Grange Mini Golf. Hooked on Science will visit to teach us what it means to be a science athlete!	Miracle League and All Around Gymnastics [OR Derby Grange Mini Golf for Explorer Eagles]	May 27	June 10

3	June 17–21	All Around the World	<p>Come celebrate the beauty of cultures from all around the world during our week dedicated to global diversity. Campers will receive a "passport" to stamp as they explore various cultural stations. From language lessons to traditional crafts, this interactive journey will foster a deep appreciation for the rich tapestry of global traditions. We will hold our own culture walk in the gym on Thursday where families are invited to teach our campers about the wonders of their heritage and culture.</p>	Dubuque Arboretum & Botanical Gardens [stay tuned for an additional field trip to be added!]	June 3	June 17
4	June 24–28	Summer in the Sky	<p>Get ready for an astronomical adventure during our week of Summer in the Sky! Embark on a journey beyond the stars as we dive into the wonders and mysteries of our solar system and beyond. This week promises an out-of-this-world experience for young explorers, blending education with excitement. Our space-themed activities include rocket launches, crafting your own constellations, and more!</p>	Eagle Point Park [stay tuned for an additional field trip to be added!]	June 10	June 24

5	July 1-5	Patriotic	<p>Join us for a week of star-spangled fun as we celebrate the spirit of America during our special Patriotic week at Eagles Day Camp! Immerse your child in a whirlwind of red, white, and blue activities that will ignite their patriotic pride and create lasting memories. We will be traveling to Asbury park to hear from our local firefighters and police officers about what they do to protect our wonderful city.</p> <p><b>*NO CAMP ON JULY 4TH:</b> This week of camp will be at a discounted rate of \$185*</p>	Asbury Park [stay tuned for an additional field trip to be added!]	June 17	July 1
6	July 8–12	Going Green	<p>Unleash the spirit of exploration this summer during our nature themed week: Going Green. We'll enjoy a week filled with outdoor adventures, wildlife wonders and the beauty of nature that will leave your young adventurers buzzing with excitement. We will journey to places like Swiss Valley Nature Preserve and The National Mississippi River Museum to dive into the fascinating world of the outdoors!</p>	Swiss Valley Nature Preserve and The National Mississippi River Museum	June 24	July 8
7	July 15–19	Culinary Kids	<p>Prep your palate for a week of delicious delights during our culinary kids week as we embark on a journey to satisfy the cravings of our young campers. From taste tests to diverse food celebrations, your camper will whet their appetite. Campers will sharpen their cooking skills and expand their tastes! We will also be taking a tour through the Hy-Vee on Asbury to learn more about what happens behind the scenes.</p>	Hy-Vee on Asbury and Convivium Urban Farmstead	July 1	July 15

8	July 22–26	Animal Antics	Join us on a journey where campers will uncover the secrets of the animal kingdom. From the smallest insects to the mighty mammals, every day will bring a new and exciting opportunity to learn about the incredible diversity of life on Earth. By popular demand, we will return to The Henry Vilas Zoo in Madison, WI, to experience the wonders of the animals they have to offer. The Discovery Eagles will also be traveling to Berning Acres farm to learn more about the behind the scenes farm life! The Blank Park Zoo will also pay our campers a visit to educate us about animal conservation.	Berning Acres Farm (Discovery Eagles only) and Henry Vilas Zoo in Madison, WI (all)	July 8	July 22
9	July 29–Aug. 2	Maker Space	Calling all artists! This week our campers will embark on an artistic adventure! Campers will create and explore their artistic talents by building, painting, creating, and more. Come and develop your skills as a young artist. We will have a paint party at Captured on Canvas as well as a magician to wow us with their magic!	Captured on Canvas and Centrally Rooted	July 15	July 29
10	Aug. 5–9	Under the Sea	This week is dedicated to the wonders of water and exploring the mysteries of the ocean and its inhabitants. We will beat the summer heat with a series of water-based activities including water balloon battles and water relays to keep everyone cool and refreshed. We will visit the East Dubuque Pool to guarantee a splashing good time for all!	East Dubuque Pool and Cloie Creek Splash Pad	July 22	August 5
