

MINECRAFT CLASSES

Get ready for an incredible adventure full of endless possibilities. Experience the thrill of building, mining, survival basics, and exploring the constantly evolving Minecraft world.

Our class is designed to cater to players of all levels, from novices to experts, with a structured approach to help you level up. In addition to diving deep into the world of Minecraft, our course will also emphasize the importance of sleep and gaming. Just like how the sun rises and sets in Minecraft, making the most of your time and rest is vital. Join us for a comprehensive and exciting journey through Minecraft and beyond.

Like all our classes, clinics, and leagues, we strive to ensure that our training opportunities are inclusive, supportive and promote personal growth and development. Our players can learn while building valuable life skills that will serve them well beyond this class.

Two great class options based on age:

Ages 7-12: Saturdays from 8-10 AM

Ages 13 & Up: Saturdays from 10 AM -12 PM

September 16, 2023, through October 21, 2023

Cost: \$65 nonmembers/\$58.50 members
