Transcending Boundaries

*Experience music's
power to transform
and transcend!*

Praised for his intense musicality and impressive technique, Canadian violinist **Terence Tam** returns to perform Tchaikovsky's poignant, lushly romantic (and only) violin concerto.

Written at the height of the Stalinist Terror, Shostakovich's 5th Symphony demonstrates the power of music to transcend political oppression. You won't want to miss the sensational finale of this powerful symphony as it concludes our 65th Anniversary Classics Series!
