

# WELCOME TO XELLO.

A NEW WAY TO VISUALIZE THE FUTURE.

## GETTING STARTED.

An engaging online program that helps students build the skills, knowledge and plans to be future ready - Xello helps students better understand themselves, their future career options, and the skills they'll need to succeed

Through a series of interactive assessments, your child uncovers their unique interests and skills. Assessments are scientifically valid, reliable, and student-friendly -- helping your child connect the dots between who they are and their future options.

## XELLO FAMILY

### 1. Access.

You will receive a *Welcome to Xello!* activation email to the address that we have on file. Once you click *Activate Account*, you will be redirected to Xello and asked to create a password.

### 2. Explore.

The first screen you'll see when you log in is the Xello Family dashboard. From here, you will see all children linked to your account. Clicking a child's name will bring you to their profile.

### 3. Discover.

You can explore each section to learn new information about your child. You will notice a tip box at the top of each page that gives you some information about that section.
