

Scarecrow Workshop

Saturday, September 27, 10am-2pm

We'll be gathering at the Center to create Scarecrows for our **"Art that Stands Out in its Field"** annual exhibit, which will be up and around town most of October.

Bring your friends and kids and some silly clothing for a fun experience creating scarecrows!

We'll have some scarecrow forms to work with. If you want to exhibit your scarecrow at home, there is a \$15 materials fee. No fee if the scarecrow stays at the Center.
