FIVE FLAGS THEATER

Experience the many ways
music brings us together!

Music becomes a bridge between people, places and emotions in a program that weaves together the contemporary orchestral textures of **Maquoketa, IA native composer John Frantzen**, the expressive voice of Brazilian guitar with **Marcus DeJesus**, the transcendent beauty of **Jennifer Higdon's *Blue Cathedral***, and the exuberant pulse of **Bernstein's *Symphonic Dances* from *West Side Story***.
