ART COMPETITION + EXHIBITION

The Color of Music

Interpret music into a work of art!

2026/27 Theme

Create an original artwork inspired by George Gershwin's ***An American in Paris***, which takes us on a musical stroll through the streets of Paris, France! With cheerful sounds, dreamy melodies, and a little bit of romance, this music paints a picture of love, adventure, and the excitement of exploring a new city.

An American in Paris will be featured in the DSO's *Hearts In Harmony* concerts, February 13-14, 2027 at Five Flags Theater.
